### **Sunday Morning Adult Class**

We will offer one Sunday morning class for adults at 9am, beginning Sept. 16. Since we are doing a churchwide journey through **The Story**, we want all of our adults studying the same material.

This class will meet in Mitchell Hall, with a video presentation followed by discussion time.

Please join us as we discuss the material we have read during the week. We then will go to worship where the focus will be on the same material.

Join us on Sunday, Sept 9<sup>th</sup> at 9am for more information about this 31 week program.

**Rally Day-** Have we got a wonderful day planned for you! Join us Sunday, Sept. 9<sup>th</sup> at 9am in Mitchell Hall for a continental breakfast. We will introduce **The Story** adventure (*see page 4*), the teachers/leaders, and the resources. Books will be available for purchase if you haven't bought one already. Parents can also order one of the children's books for their family if they would like to have one.

Following breakfast, we will worship together, anticipating the start of **The Story**. Then after the service, Worship and Arts Committee is sponsoring a picnic lunch to give us the opportunity to fellowship with one another. Lunch will be in Mitchell Hall.

Come and join the adventure with us on the 9<sup>th</sup>.

**FISH**, our weekly Wednesday evening educational opportunity, begins on Sept. 12<sup>th</sup>. Dinner will be at 6pm, followed by classes at 6:45 til 8:00. ## Children's Ministry

Welcome back!

I trust everyone has had a wonderful summer. We're excited to start "The Story" curriculum this fall. We can all look forward to discovering the story of the Bible together. Because the classes will be working through their materials in tandem, you'll be prepared when you ask your kids what they did in Sunday School each week!

Once again, we'll be passing out Bibles to our third graders in September. Just to make sure I don't miss anyone, if you have a third grader, please contact me.

If you are looking for new and exciting ways to be involved in ministry, talk to me. There are several ways to be involved in children's ministries, and I think we can find one to suit you!

Let's have a great new year at First Pres!

~Beckie Dicks, Children's Ministries Director

***On Sept. 9<sup>th</sup>, Rally Day, we will introduce this 31 week program. We will provide a continental breakfast at 9am in Mitchell Hall and explain the program, introduce the teachers/leaders, and display the resources. Books will be available to purchase/order. ## Musings from Pastor Mike

**Pastoral Duties:** This past month I have been busy doing much pastoral care with many of the young adults that I come in contact with through *Converge*, as well as a few adults that I come in contact with on a weekly basis. I had the pleasure of doing a sermon message with my good friend, Bob Szczechura on 2 Fruit of the Spirit. Likewise, I was able to work with Mike Pierfederici from *Converge* to craft a young adult led service (more on that later). I have been busy with two Presbytery of Detroit projects. One is a two-day workshop which will be held at The First Presbyterian Church of Dearborn on September 21 and 22. It will focus on leadership and assessing and meeting the needs of a church's surrounding community. Be sure to get together a "team" and go on the POD website to sign up for this exciting event. Brochures will also be available in our Narthex. I am also training to become a "Conversation Consultant" for the Presbytery of Detroit and will be assigned a church to come along side and formulate a ministry based on the church's strengths that could be used as an outreach tool. At The First Presbyterian Church of Dearborn, I have just started a ministry that is based on the hopes and dreams of Doug Stormzand's "Christ Provides" campaign. This ministry will employ two of our young adults and will focus on producing short film clips that can be used for witnessing to those without a church home and those who are still exploring their spiritual options. Our "Christ Provides Imaging Team" is made up of Brian Mayer, Randy Bruder, Bob Szczechura, Jane Lewy, Chris Masouredis, Joe/Ian Higgins, and myself. More information will follow in the near future.

**Director of Young Adult Ministries:** Our young adults crafted their first Sunday morning worship and I am as proud of them as much as any "parent" could be. God, through the members of FPC, has blessed me with the privilege of working with these fine folks! I have just tweaked a Fall/Winter mailing to all members of *Converge* Young Adults that will list our activities, ministries, and weekly events. Thanks to my *Converge* Education/Activity Team of Jonathan Mallard (staff) and volunteers Mike Pierfederici and Katie Britz for reviewing the events and giving me their valuable insights. Success of a program is weighted heavily on the positive input and two-way communication of all those involved. Thanks to our weekly volunteers: Chris Masouredis, Andrew Mayer, John Semeniuk, Mike Pierfederici, Lewis & Steven Britz, and Chris Watson for their technology and musical talents. I am looking forward to a class on Muslim Ministry taught by a friend of Jonathan's, Adam Simnowitz, that will kick off our fall season. I am also looking forward to spending additional time on my message each week for *Converge*, now that Jonathan and I are doing less overlapping ministries. My "sermonettes" will focus on *The Story* that the entire church will be exploring this year. God is good, all the time! God's Peace to you all!

~God's Peace, Mike Hoffman, C.R.E.

## Rally Day Picnic ~ Sunday Sept. 9th

There will be a family picnic immediately following worship on Rally Day, Sept. 9th. The meal is free, but a free will offering will be collected to support our local homeless feeding mission. The entire congregation and guests are welcome to attend. Grilled burgers and hotdogs will be served with baked beans and other picnic side dishes. ~Mark Dearth, Worship & Arts

## Card Ministry Outreach

Several months ago we received a letter with an appeal to make handmade cards to support Card Care Connections which provides support to those suffering from cancer. The founder, Aleeza Ganote, (a social worker) saw a need to offer a caring card with an uplifting message of hope and encouragement to those feeling lonely or discouraged.

This is a quote from the letter she sent: *"the diagnosis of a life threatening disease such as cancer can be incredibly frightening. Treatments are often harsh, placing tremendous demands on both body & spirit. The physical burden is very real, but the emotional struggle can be equally challenging. Finding the emotional strength to persevere or simply finding peace of mind can seem out of reach at times. Words of comfort & support can help to ease the mental burden of this disease & provide inspiration at a much-needed time."*

We are grateful we can help to lift spirits of those fighting cancer by supporting this ministry.

P.S. Aleeza, who lives in Fenton, Missouri, found us via our web site.

### **Card Ministry Begins**

We welcome all who would like to join us in Room 14 the first Monday of each month. No experience is needed; we'll teach you what we know. Our first meeting is Sept. 10<sup>th</sup> (the second Monday due to Labor Day). For those new to this church we make cards for the home bound, sick, grieving and "Touch of Hope" families. In addition - all our home bound receive a card on all holidays from all of you.

## Student Ministries

Wow, summer went by fast! Praise God for the growth we've seen in the youth groups and the relationships that are taking root. We have an exciting Fall planned with 4:12 and CREW on Sundays, the confirmation class on Wednesday nights, The Story curriculum in Sunday school, Feed the Hungry, Christnet, bonfires and football games! God has also blessed us with some amazing volunteers that made firm commitments to assist weekly or monthly with the student ministries this year.

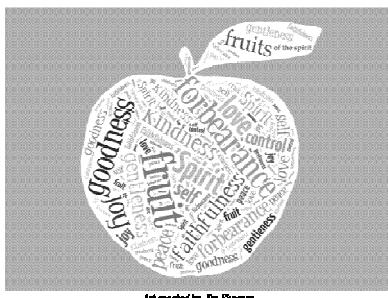

As we go full swing into fall activities, my prayer is for all students to appreciate the centrality of "Jesus Christ and Him crucified" (1 Cor. 2:2). The Bible is full of stories with men and women interacting with God on many levels. But what do they have to do with us? We will examine many of these stories in The Story curriculum, and engage with God's heart for each student exemplified in those stories. We all have different gifts, dreams, desires and personalities. Each individual can appreciate the greatness of God from a different angle, a unique life experience. However, the beauty and complexity of the human experience is utterly dead without the cross of Christ. Jesus was the hope of salvation in the times of old, and He is our hope of glory today!

We hope in Christ to reveal His love through us to our students. We will have fun doing weird, wild and crazy games! We will continue to serve those outside our church with acts of mercy and love. We will love one another as Christ loves the Church. **May every one of these activities glorify the sacrifice and power of Jesus Christ, and place Him at the center of our lives this fall.** Please pray for the students, and for our church to unite in this glorious purpose of our lives.

Much Love, Jonathan Mallard

## Presbyterian Women's Bible Study

We will resume our weekly class beginning Thursday, September 6, 2012 (10:00-11:30am) in the North Parlor. Each year, Presbyterian Women across the country take part in a new study published through the Presbyterian Women's magazine HORIZON'S. The studies are written for women by women Pastors. This year's study is authorized by Nancy Benson-Nicol who holds a masters of divinity degree from Harvard Divinity School. She has been associated with congregations in several states including Michigan (Ann Arbor). Currently she is a teaching elder in the Presbyterian Church (U.S.A.)

Our study "Dispatches to God's Household: The General Epistles" focuses on letters from the New Testament written to provinces in Asia Minor, to specific individuals or to believers in general. We look forward to another exciting year of study. ~Lorraine Lamkin

## Notes from our Parish Nurse

### *September is Prostate Cancer Awareness Month*

**Prostate cancer is the most common non-skin cancer in America, affecting one in six men.** The prostate is a walnut sized gland found only in males. It is located in front of the rectum and below the urinary bladder. The prostate's job is to make some of the fluid that protects and nourishes sperm cells in semen, making the semen more liquid.

**Who is most at risk of getting prostate cancer and why?** There are several major factors that influence risk, some of them unfortunately cannot be changed.

**Age** - The older you are, the more likely you are to be diagnosed with prostate cancer. Although only 1 in 10,000 men under age 40 will be diagnosed, the rate shoots up to 1 in 38 for ages 40 to 59, and 1 in 15 for ages 60 to 69.

**Race** - African American men are 60% more likely to develop prostate cancer compared with Caucasian men and are nearly 2.5 times as likely to die from the disease.

**Family history/genetics** - A man with a father or brother who developed prostate cancer is twice as likely to develop the disease. This risk is further increased if the cancer was diagnosed in family members at a younger age (less than 55 years of age) or if it affected three or more family members.

**Not everyone experiences symptoms of prostate cancer.** Many times, signs of prostate cancer are first detected by a doctor during a routine check-up. Some men, however, will experience changes in urinary or sexual function that might indicate the presence of prostate cancer.

#### **Symptoms include:**

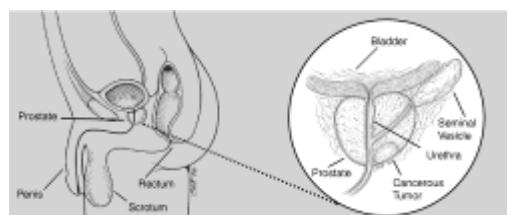

- a need to urinate frequently, especially at night
- difficulty starting urination or holding back urine
- weak or interrupted flow of urine
- painful or burning urination
- difficulty in having an erection
- painful ejaculation
- blood in urine or semen
- frequent pain or stiffness in the lower back, hips, or upper thighs.

**If you have any of these symptoms, follow-up with your physician.** In most cases, BPH, (Benign Prostatic Hypertrophy) a non-cancerous enlargement of prostate, an infection, or other health problems are the cause. But in the event it is prostate cancer, early detection is the best chance of a good outcome.

**In the past couple of years, there has been heated debate about whether or not men should be getting yearly PSA tests. And while there is still not consensus, among specialists, most agree that the simple test is worth doing.**

“Cancer screening tests, including the prostate-specific antigen (PSA) test to look for signs of prostate cancer, can be a good idea. Prostate cancer screening can help identify cancer early on, when treatment is most effective. And a normal PSA test, combined with a digital rectal exam, can help reassure you that it's unlikely you have prostate cancer. But getting a PSA test for prostate cancer may not be necessary for some men, especially men 75 and older.” (Mayo Clinic)

**Now this is eternal life: that they may know you, the only true God, and Jesus Christ whom you have sent.**      *John 17:3*

This passage from Jesus' High Priestly prayer describes eternal life for us as a relationship with God the Father and His Son. What does "eternal" mean, and what does it mean to 'know God'?

"Eternal Life" is a continuing theme in John's Gospel (John 3:15-16, 36; 6:47; 10:28), as a free gift to those who believe in God's Son; this means that those God calls and justifies receive eternal life upon accepting Christ as their Lord and Savior. The word for 'eternal' implies both duration and quality. All human souls will exist somewhere forever. Those in Christ will live in a personal relationship with Divinity; those rejecting Christ will exist apart from God and his people (2 Thess. 1:9).

The qualities of eternal life in relationship with Divinity result in an enlightened, joyful, and fulfilled life. As we seek to obey Christ's Great Commandment to love God with all our heart, soul, and mind and to love our neighbor as we love ourselves (Matt 22:37-40), we prepare for eternal life and enjoy a taste of it here and now!

To know God means much more than knowing about God, but we start there. We have a natural awareness of God which, if we are open to it, leads us to apprehend and seek God. Through Scripture, we improve our understanding of God and apply that knowledge to our lives with prayer and obedience. As a result, we become closer to God, and we worship Him in reverence and thank Him for our blessings. The Greek word used here for 'know' is used in the Bible to describe intimate knowledge, such as in marriage. To 'know God' in 'eternal life' therefore, is to spend eternity in an intimate and loving relationship with God and His people, fulfilling the purpose of our creation.
