## Prayer Tree

I'd like to remind you that we have an active prayer ministry at FPCD through our Prayer Tree. We receive prayer requests from people and then email those on the list. We share as little or as much information as the requestor wishes. This is an important ministry. If you have a desire to pray for the needs of our church family and friends and would like to be a part of the Prayer Tree, please give your email address to Chris Mayer, Kathy White, or myself.

## Adult Summer Sunday School

This summer we will continue the series "That The World May Know" that we've used the last couple of summers. In June the class will meet in the North Parlor at 10:10am. In July and August, we will meet in the North Parlor at 9am (move to one worship service at 10am for the 2 months). We will continue to "travel through the Holy Land" with Ray Vanderlaan, learning more about the places and events of scripture. Summer Sunday School will run from June 12<sup>th</sup> – Sept. 4<sup>th</sup>.

## Stephen Ministry

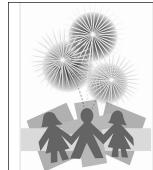

**Summertime Stress Slowing You Down?** We like to think of summer as being a relaxing, enjoyable time. But hurts, struggles, crises, and problems difficulties seem even worse during the summer because everyone else seems to be enjoying life while you are feeling down. emotionally, spiritually, or relationally-- Ministers are trained caregivers, ready to listen, care for and encourage you, pray with you, and provide one-to-one Christian care to help you through whatever it is that you are facing. Men are matched with male Stephen Ministers and women are matched with female Stephen Ministers. It's free. It's confidential. And it will make a difference in your life! To find out more about Stephen Ministry for you or someone you know, talk with one of our Stephen Ministry Leaders: Art Hughes (313-383-2589) or Chris Mayer (313-562-1943).

## INTERIM 2011 FINANCIAL STATUS

On May 17<sup>th</sup> the Finance Committee reviewed the Church's Operating results for the first four months of the year. It shows a \$27,990 deficit Year-To-Date, which is consistent with the forecasted \$43,000 twelve month deficit included in this year's budget. After the costly impact of the cold and snowy winter, our operating expenses have run below budgeted amounts; and contributed income has held at levels consistent with expectations. Our committees and staff are demonstrating effective discipline in regard to operating costs.

The Finance Committee requests members, who are expecting to travel out of town for some of the forthcoming summer months, to continue their normal pledge payments to the church during that period.

## Children's Education

Thank you to all the kids who made Mother's Day such a special day in church! To the preschoolers and kindergarteners, great memory work! To the grade 1-3 class, thanks for your reminder about Jesus' power in our lives. To the 4-6 grade class, thank you for all your work writing and sharing the prayers and blessings and reading scriptures in the services. Thank you kids' choir and Wednesday night FISH class for sharing your offerings with us. You are all a blessing to us. Finally, to the teachers of all these great kids, thank you for working with these kids, mentoring them, and showing them God's love.

June 5 is Teacher Recognition Sunday. Take some time to say thanks to your kids' Sunday school teachers. We have a wonderful team here at First Presbyterian Church who are planting seeds for eternity.

Children's Sunday School will continue through the summer this year. All elementary grades will be combined for a special summer series. We hope to see you there!

Vacation Bible School is coming! I hope you have your calendars marked for July 11-15. In the "Shake it up Cafe" this year, we'll celebrate biblical feasts and learn how to be followers of God. Look for registration forms and volunteer sign-up sheets in the narthex and outside the Christian education office.

## MUSIC CORNER

Welcome to summer! June brings some wonderful things: graduation parties, the end of school, swimming pools open, and all sorts of summer fun! Here at the church, it signals the end of the choir and education year. So this is a big **THANK YOU** to all who have sung or played in any of our music ministries this year!

As a year end event, we will be having a Music Department **Concert and Ice Cream Social** on Pentecost Sunday, June 12, at 3:00 in the afternoon. Please come out and see all of our musicians from both services perform some fun music! We hope to have a couple of **returning college students** on the program as well as the **children's choir and children's handchime choir**.

For the last choir Sunday of the year, which is also **Father's Day, June 19**, we will have an "open choir loft." We invite everyone to sing in the choir that Sunday as a special tribute to Dad. The music will be very easy; all you need to do is show up at 10:15 in the choir loft and join us! Hope to see you there!

In Christ,  
Marshall

## June is National Safety Awareness Week

June is a month to focus on safety awareness, and I would like to share some statistics and information, if implemented, can lead to greater safety behind the wheel. The two areas I want to focus on today are the use of cell phones while driving and requiring more strict standards for new teen drivers.

### On the Road, Off the Phone

Nearly 1 out of every 4 motor vehicle crashes involve cell phone use. While 62% of drivers recognize that talking on a cell phone is a very serious threat to their personal safety, more than 2 out of every 3 drivers admit to talking on their cell phone in the past month.

### Why The Disconnect?

It's important to understand the three main kinds of distraction:

1. **Visual:** Eyes on road
2. **Mechanical:** Hands on wheel
3. **Cognitive:** Mind on driving

Safe driving is about more than hands on the wheel and eyes on the road – it's about *focusing solely on the task of driving*. When drivers engage in two activities that require a great amount of mental focus, the brain quickly switches between those tasks sequentially. As a result, the brain suffers from *inattention blindness*. As it switches its focus and attention back and forth, the brain loses its ability to process all the eyes see and only a portion of the information is captured. In this situation, drivers look out the windshield, **but do not see up to 50% of the driving environment**. In fact, the brain is so overloaded that not all critical driving cues such as red lights, stop signs and pedestrians are delivered to the brain. Even hands-free talking on the phone is a big distraction, but the physical distraction is eliminated.

### Teen Driving can be risky business

Drivers between the ages of 15 and 20 are involved in fatal crashes, at more than twice the rate as the rest of the population. One of the most effective methods proven to reduce teen crash risk by up to 40% is Graduated Driver Licensing (GDL). Since inexperience is a leading factor in traffic crashes involving young adults, Graduated Driver Licensing (GDL) makes good sense. Based on more than a decade of research, GDL ensures young drivers accumulate driving experience under controlled circumstances. Each step in the process includes certain restrictions tied to the permit. *What makes GDL beneficial for parents is that while GDL may or may not be a state law, it can be a law in the home.* Below is a list of components that make up best practices in GDL. These are effective guidelines parents should enforce include when their young adult is learning to drive:

- ◆ Zero tolerance for drugs and alcohol
- ◆ Never use a cell phone –hands held or hands free - while driving
- ◆ Zero passengers under age 18 until driver is age 18
- ◆ Seat belts are to be worn by all passengers at all times
- ◆ Nighttime driving limits – no driving after 10:00 p.m. for the first six months

Making some changes in these two areas (and sharing this information with others) may possibly lead to saving lives. You are important to us, drive safely.

Blessings, Chris Mayer

**If you have any encouragement from being united with Christ, if any comfort from his love, if any fellowship with the Spirit, if any tenderness and compassion, 2 then make my joy complete by being like-minded, having the same love, being one in spirit and purpose. 3 Do nothing out of selfish ambition or vain conceit, but in humility consider others better than yourselves. 4 Each of you should look not only to your own interests, but also to the interests of others. *Philippians 2:1-4***

"A household divided against itself will not stand" (Matt. 12:25). Unity among Christians is essential and based on four factors: 1) being "in Christ," 2) experiencing and sharing Christ's love, 3) having fellowship by the same Spirit, and 4) compassion. Mature Christians are to become like-minded and live by the same love, Spirit, and purpose. Our Christian unity also increases our pastors' joy because they care so deeply for us.

Verse 3 notes three causes of disunity we should avoid: selfish ambition, conceit (seeking prestige), and an overemphasis on self that

**Pentecost Offering** The Pentecost Offering will take place between now and June 12. As always anyone can designate their offering envelope for this and other ministries at any time, or you can use the special Pentecost Offering envelopes located on the tables in the narthex. 60% of the funds will go to Presbyterian programs for children and young adults. The remaining 40% will be given to a local ministry for children and young adults designated by the Outreach and Mission Committee (OMC). OMC will let the congregation know which ministry in the coming weeks. Please prayerfully consider supporting the Pentecost Offering.

Thank-you.  
Joel DeHamer, Outreach and Mission

disregards others. These are part of our sin nature from which we are repenting and replacing with humility (verse 3, *Luke 14:11; Rom 12:10; Eph 5:21*) and a loving concern for others (verse 4, *Gal 6:2; John 13:34, 35*). To do so, at least three steps are needed:

1. Admit that by nature we don't like other people and we prefer pride to humility. Before we can become humble, we must acknowledge that we are proud.
2. Humble ourselves before God, admitting our unworthiness in His eyes (*Ex 3:4-6; Job 42:6; Isa 6:5; Luke 5:8; 1 Peter 5:5, 6*). Remember, in the end, Christians will be in His Presence joyfully and without flaw (*Jude 24*).
3. Spend time with our Lord and Savior, the source of our new lives (*John 1:4, 9, 12, 13, 17, 18; 6:53; 15:4-6; Philippians 4:13*). Do so through prayer (*Luke 18:1; Matt 7:7-10*), Bible study (*Rom 10:17; 2 Tim 3:16, 17*), meditation (*Psalm 1:1-3; 119:11*) and obedience (*Matt 28:18-20; Luke 6:46; John 7:17; 14:15, 21; 15:10*).

God bless,  
~ John Holden

## ORFF SCHULWERK WORKSHOP FOR CHILDREN

Monday, June 27 through Friday, July 1 from 10:00am to 12:00 noon.

The workshop will be offered this summer.

The workshop will take place in the TURCO choral room

at First Presbyterian Church of Dearborn on Brady Street off Cherry Hill Road.

First Presbyterian Church of Dearborn is sponsoring an Orff Schulwerk workshop for children age 6 and older. Children will learn some basic music skills using pitched instruments designed by Carl Orff, First Presbyterian Church's set of hand chimes and non-pitched, rhythm instruments. Students are invited to bring recorders if they have them and any band or orchestra instrument they play.

The class will be taught by veteran vocal music teacher, Jane Lewy. Ms. Lewy has taught music for the Dearborn Public Schools for 30 years, in various elementary and middle schools throughout the district. Ms. Lewy has a Bachelors degree in music education with Orff Schulwerk training and a minor in integrated creative arts from Western Michigan University . She also has a Masters degree in choral conducting from Oakland University. Jane Lewy completed all three levels of Orff Schulwerk training offered to the Dearborn Public School vocal music teachers.

Articles are to be turned in to the office or emailed to [kathywfpcc@gmail.com](mailto:kathywfpcc@gmail.com) no later than the **10th** of the month. Please date your articles & keep them brief - one page or less. Longer articles will result in smaller font. We reserve the right to edit as needed.

## Touch of Hope Easter Offering

The Easter Touch of Hope Offering provided Kroger gift cards and needed non-perishable items to fifteen families this year. In addition four children received Easter baskets. We have lowered the age of children who received baskets this year.

There are many people to thank for the successful offering provided by this ministry. The shopping was done by Charlene Reid and Margie Maurer. Baskets were assembled by Margie Maurer, Charlene Reid, Sue Sullivan, and Tracie Szczechura.

During preparations for the offering Margie Maurer, Lori Wyatt, Wendy Palmer, Ann Phillips and Christie Smith donated time and energy. Very special thanks to Jan Cobb and the Card Ministry for creating beautiful Easter cards for the families. On the Sunday of the offering committed volunteers helped to transport, sort and pack items collected from

## Fathers' Day Bake Sale

Please support Kate Bruder in her missionary endeavors in Peru. Rebekah Circle will be hosting a Father's Day Bake Sale on June 19 between 10 am and 1:00. Look for us outside the Narthex entrance, weather permitting, or inside the church if necessary. Buyer and bakers are needed to support this worthy cause. All congregation members are invited to donate homemade goodies. As always Rebekah and Presbyterian Women thank you for your continued support.

## Prayer & Healing Service

Want a change in your life? Whether it is a physical illness, debilitating disease, chronic fatigue, emotional heaviness... the Lord says, "Come, spend a special time with Me. Give Me your burdens." There will be a **Healing Service on the 3rd Sunday of every month**; the next one is Sunday, June 19, 2011 at 4pm in the Chapel. Come with expectation... for nothing is impossible with God!

Thanks to all congregation members who graciously donated items and monetary donations to the offering. Our families were very appreciative.

The sponsors who work with families on a regular basis are to be commended for their time and effort. The sponsors delivered the Easter offering to their Touch of Hope families with blessings. Many people within the congregation are responsible for the successful Touch of Hope Offering. We can be proud of the support we extend to the families. Thank you to each of you.
